Footer links: Terms | Privacy | Contact |

---

### Design Notes

- **Color Palette:** gradient hero background (blue → violet), white cards, subtle gray sections.
- **Typography:** bold hero heading (text-4xl font-bold), readable subtext (text-lg text-gray-600).
- **Buttons:** rounded-xl, accent blue with hover glow.
- **Layout:** full-width hero → alternating white/gray feature bands.

---

### Key UI Components (Shadcn/UI)

- Navbar, Hero, Card, Carousel, Button, Accordion (for FAQ).

---

### UX Flow

1. **User lands** → sees hero headline + demo CTA.
2. Scrolls → discovers key features visually.
3. Glances at quick screenshots.
4. Sees pricing preview + testimonials.
5. Ends with strong CTA → "Start Free."
